Hi John and Maureen,

It was a pleasure meeting with you yesterday. We are looking forward to working with you on this project. Kathy and I are in the process of gathering the materials that you requested and will be sending them to you shortly. I just want to make sure we include everything that you need. Below is a list of items that you wanted and documents that we recommended you review. Please take a look and let us know if you want it in hard or soft copy or both. Attached is the lab contact list that you requested.

1. MDPH Lab Bureau/State Lab General Safety SOPs  
(i.e. Chemical Hygiene, ECP and related biohazard topics, Pest control, Respiratory Protection, non-bio hazardous waste)
2. MDPH Biosafety plans for specific registered SA Labs (BT, Botulism, EEE RNA, Virology)
3. MDPH SOP SA.004 Select Agent Labs Health and Safety and Med Surveillance Guidelines for SA's
4. TB Lab Safety procedures and checklist documents

Thank you and have a nice weekend.
